Re: 1:22 cv 00893(ALC)

The plaintiff respectfully asks the courts to carefully observe that the complaint list multiple copyrights listed in the complaint. The main song infringed was grab 'em by the puxxy but the plaintiff also repeatedly notified the courts that they took lines from multiple songs and smashed the lyrics into one song. The plaintiffs were infringing since the beginning of her career; it just became very noticeable after WAP and Thot shit. Every song that was infringed are copyrighted and widely dismantled. .
